

Provisional Agenda of CCPCJ

Agenda is the normative document which establishes the order in which the Agenda Items are taken up during the conference. Before the conference, the Directors shall release a Provisional Agenda which includes all issues that the Directors deem necessary for discussion. Delegates may request the inclusion of Supplementary Items on issues that they deem requisite for discussion but have been excluded from the Provisional Agenda. Draft Resolutions shall be introduced in the order of business set by the agenda once it is officially adopted. Only one agenda will be adopted in the conference.
